Hi Austin, Linda, Collin, Maria, Eric, Kris, Chad, Kelly & Taylor,

I wanted to remind you in advance that your 2nd 25% deposit, in the amount of \$12,250, is due by October 4 or 6 1/2 months prior to your charter start date.

For payment, here are your options in order of our preference:

- **Deposit a check:** made out to Carefree Yacht Charters at any Wells Fargo branch, even if you don't bank there. You'll find Deposit Instructions within your charter portal. Once a deposit is made please let us know via email or text so we can verify receipt.
- **Send us a check:** payable to Carefree Yacht Charters and sent to the following address: Carefree Yacht Charters, [12520 NW 76th Street, Parkland, FL 33076](#). Checks typically take up to 7 days to arrive.
- **Wire transfer the funds:** You'll find Wiring Instructions within your charter portal. Once initiated, please let us know via email or text so we can verify receipt.
- **Pay by credit card:** We accept MasterCard, Visa, American Express and Discover and per our merchant provider, require a credit card authorization form for each transaction that we process. Please remember that we only accept up to 50% of the charter fee on credit cards due to the 3.5% percentage fees that we pay for each amount processed. Your final 50% payment will therefore need to be made using one of the other payment options noted above.
- **Charter Portal Login:** <https://www.carefreecharters.com/login/>. You can also log in via our website's main navigation page.
- **Charter Portal Security:** If sharing your password, please do so by text vs email to protect the financial information within the system.

Credit Card Payments: If opting to use a credit card or credit cards, please follow these instructions.

- **Docusign the Authorization Form:** An authorization form is required for each amount that we process. The person whose name is on the card that you'll be using must also be the person that Docusigns the authorization form via their email address. Let us know the name on the card that you'll be using, and we'll then send an authorization form via Docusign for digital signature and completion.
- **Process your Card Online:** Once your DocuSign signature is complete, an Authorize.net payment gateway will immediately appear so that you can enter and process your card online.

You'll find your current statement of account attached for your reference. Please let us know if you have any questions.

Thank you in advance,

Lynne Campbell

Thanks for the reminder Lynne. I'm out of town starting on Sept 19th through Oct 1st or so -- I'll try to get this to you next week before I leave. I'm likely to use the same CC as last time but give me a couple days to confirm that plan and I'll reach back out.
