# Getting to The BVI

As you start to explore flight options, we're available to ensure that potential flight options will align well with the charter and any necessary inter-island transfers. Please refer to the various sections below for details regarding the following:

- › [Direct flights to the BVI from Miami or Charlotte on American Airlines](#)
- › [Flights to St. Thomas plus a commercial ferry or private water taxi to the BVI](#)
- › [Flights to Puerto Rico plus a puddle jumper flight to the BVI](#)

---

## DIRECT FLIGHTS TO THE BVI FROM MIAMI OR CHARLOTTE

Refer to this section if you intend to fly to Beef Island/Tortola for a charter with BVI ports.

Check **American Airlines** for availability on direct flights from Miami (airport code MIA) or Charlotte (airport code CLT) to Beef Island/Tortola, BVI (airport code EIS).

If available, these flights will alleviate the need for inter island transfers from St. Thomas or Puerto Rico and the associated costs. This route uses smaller regional jets so seating is limited (approximately 75 seats). These direct flights can book up quickly and should be booked as soon as possible.

We have heard that flights into Beef Island (EIS) can be delayed or diverted to other airports (St. Thomas or Puerto Rico) during heavy rain due to the BVI airport's smaller size and limited runway. That said, approximately 50% of our clients have flown this route in the last several seasons and have not reported this issue with their flights.

---

## FLIGHTS TO ST THOMAS PLUS A FERRY OR PRIVATE WATER TAXI TO THE BVI

Refer to this section if you intend to fly to St. Thomas for a charter with BVI ports.

### ST. THOMAS FLIGHT CONSIDERATIONS WITH BVI PORTS:

- › We recommend flying directly from the continental US to the USVI and back and not routing through Puerto Rico.
- › The St. Thomas airport code is STT.
- › With a noon charter start, we'd recommend flying to St. Thomas the day prior to your charter and spending one night ashore in order to allow ample time to get to the BVI for a noon start.
- › Check out our **Hotel suggestions** at their earliest convenience as the most popular options can book up early.
- › If arriving into St. Thomas the day your charter starts, please check with us to ensure your St. Thomas flight arrival time will align with your ability to get to the BVI.

### ST THOMAS TO BVI INTER-ISLAND TRANSFER OPTIONS:

For a charter with BVI ports please choose one of the following inter-island transfer options to get you to

the BVI and back.

## PRIVATE WATER TAXIS (APPROX \$250 PP EACH WAY)

- › **Island Time Water Taxi:** Our preferred water taxi company in the BVI, we are happy to facilitate your reservation with Island Time Water Taxi from start to finish. Reach out to us once you're researching flights so we can check availability with Island Time.
- › **St. Thomas Flight Departure Times:** With a water taxi back to St. Thomas, please plan a 5 hour window between your water taxi pick-up time and your St. Thomas flight departure time.
- › **St. Thomas Land Taxi Add On:** For an additional cost, Island Time Water Taxi offers prearranged, private land taxi service on St. Thomas for all necessary land taxis. We recommend taking advantage of this added service for a more seamless experience.

## COMMERCIAL FERRIES (APPROX \$75 PER PERSON EACH WAY)

### Commercial Ferry Options

- › Aquatic Rental Ferry Services: [aquaticrentalsvi.com](http://aquaticrentalsvi.com) (offers service from Red Hook, St. Thomas to West End, Tortola and back)
- › Roadtown Fast Ferry: [roadtownfastferry.com](http://roadtownfastferry.com) (offers direct service from Charlotte Amalie, St. Thomas to Road Town, Tortola and back)
- › Native Son Ferry: [nativesonferry.com](http://nativesonferry.com) (offers direct service from Charlotte Amalie, St. Thomas to Road Town, Tortola and back)
- › Smith's Ferry: [smithsferry.com](http://smithsferry.com) (offers direct service from Charlotte Amalie, St. Thomas to Road Town, Tortola and back)

### Commercial Ferry Considerations

- › **Ferries to the BVI:** We would recommend no fewer than 2 hours between your St. Thomas flight arrival time and your ferry departure time, but additional buffer time is suggested due to any flight delays, adjustments to ferry schedules, the St. Thomas ferry terminal you're leaving from, etc.
- › **Ferries from the BVI:** We would recommend no fewer than 5 hours between your ferry departure time and your St. Thomas flight departure time. In general, it is suggested to be at the St. Thomas

airport no less than 2.5 hours prior to your flight departure time.

---

## FLIGHTS TO PUERTO RICO PLUS A PUDDLE JUMPER FLIGHT TO THE BVI

### PUERTO RICO FLIGHT CONSIDERATIONS WITH BVI PORTS:

- › We recommend flying directly from the continental US to Puerto Rico.
- › The Puerto Rico airport code is SJU.
- › Your end destination is Beef Island, BVI and the airport code is EIS.
- › Beef Island, BVI and Tortola, BVI are separated by a small bridge.

## COMMERCIAL PUDDLE JUMPER FLIGHT OPTIONS BETWEEN PUERTO RICO & THE BVI

The following Commercial Puddle Jumper Airlines should be contacted directly for reservations. You may inquire with them as to the appropriate layover times required in both directions, but in general we would recommend a minimum of 2 hours. Cape Air is definitely our preferred choice due to reliability of these airlines over time.

- › **Cape Air**
- › **InterCaribbean Airways**

## PRIVATE CHARTER FLIGHT OPTIONS BETWEEN PUERTO RICO & THE BVI

- › **Tradewinds:** Offering scheduled as well as private chartered service from Puerto Rico to Beef Island/Tortola and Virgin Gorda. A multi-repeat client told us this about their service to the BVI: “Tradewinds is the way to go! So helpful, easy and enjoyable!”
- › **Island Birds:** Island Birds offers private charter flights from Puerto Rico to Beef Island/Tortola and back aboard their private 5 passenger or 9 passenger planes. If your charter group consists of more than 9 guests, then two 5 guest planes in tandem is suggested. If interested in Island Birds, please have your potential Puerto Rico flight details in hand and then contact us to help facilitate your initial

quote and to get you pointed in the right direction with your eventual reservation.
